8	3708	\$11,125	\$3,946	\$11,837	4267	\$14,240
Each add'l	375	\$1,125	\$399	\$1,197	480	\$1,440

*CSBG – Community Services Block Grant

Eligible activities include employment training, job readiness education, emergency services including food, medical, clothing and shelter assistance, family development and information and referral to other service organizations

**ITSAP) – Idaho Telecommunications Service Assistance Program

Eligible activities include assistance with installation costs for residential basic telephone service and/or monthly costs for basic residential telephone service.

**TEFAP – The Emergency Food Assistance Program

Eligible activities include distribution of US Department of Agriculture food commodities.

***LIHEAP – Low Income Home Energy Assistance Program

Eligible activities include cash assistance with home heating costs, emergency assistance to participants whose health may be threatened due to lack of heat in their home, and assistance with clothing, blankets, temporary shelter, and minor home and heating equipment repair in a Governor-declared state of emergency

***WX – Weatherization Assistance Program

The installed measures include insulation of walls, ceilings and floors; infiltration materials; repair or replacement of heating systems, hot water units, windows and doors and measures addressing the participant's health and safety

Documentation needed at time of Energy Assistance appointment

- Most current heating bill
- Verification of gross income for the previous 90 days
- Social security cards for all household members
- Self-employment and seasonal workers are required to provide previous 12 months of income or tax forms for 2006. If you have been receiving unemployment, verification showing history and benefit amounts received (if applicable) must be provided from the Employment office
